(A new musical comedy)

Presented By

**The Way Off Broadway Players**

What's a small misunderstanding? This hilarious tale centers around a group of women who are in the middle of a classical music reunion tour. Rita, Lee and Mary Lou are hired to perform at Hiram Hall. There's just one small catch—Hiram Hall is a country western saloon in danger of closing if money can't be raised **FAST!** Can the girls switch from Tchaikovsky to twang in time? Will they be able to handle the talented Mickey (who dreams of being a country singer), Mo (the cook and cashier who thinks she has what it takes to be a country star), and Jo (who is just trying to save her father's saloon from foreclosure)? You don't want to miss this classical vs. country showdown!
