

OZONA LAND STEWARDSHIP BLOWOUT

Prescribed Burn Class Schedule

Friday, February 18th

Friday classes will focus on preparation for the prescribed burn event conducted at the Baggett Family LP Ranch on Saturday, February 19th. Classes will provide education and training for event participants and volunteers. Two class strands are available to fit the needs of new and experienced stewards. Representatives and instructors from Texas A&M Forest Service, Quail Forever, Texas Parks & Wildlife, Edwards Plateau Prescribed Burn Association, and the Nature Conservancy will be conducting the classes and coordinating the prescribed burn. Seats for the prescribed fire educational event are limited, and a total of 6 CFT's will be available.
